

The Greene County Family History book was printed and delivered in September 2016. Additional books are available at the Society office so contact the office if you would like to purchase a copy. Price is \$65 plus sales tax and shipping, if applicable. It is an excellent and attractive history book with over 500 stories on families, businesses, and organizations in the county. The book publisher, Acclaim Press, recently recognized the Greene County History being the best book developed by their company in 2016 based on its aesthetic appeal, literary content, and commercial success. Get your copy before they are all sold! [Click here for more information on the history book.](#)

## Greene County Illinois – History and Families

This 340 page professionally bound book contains stories and articles on over 500 Greene County families and 50 businesses, churches, and organizations. It also contains historical information on the county and the towns included in its boundaries. Most of the material in this book is not contained in older, previously published county history books.
